

An NGO for rehabilitation of friends with Spinal Injury

Nomination

NINA FOUNDATION is a thirteen year old NGO established in the memory of Dr. Nina Doshi for rehabilitation of friends with spinal cord injury, whose **Vision** is to spread optimism and hope of good health to people with spinal cord injury by offering innovative rehabilitation services and **Mission** is to offer world class spinal cord injury services encompassing physical, psychological, vocational, social, recreational spiritual rehabilitation for overall well being. 25th June is instituted as SCI Awareness Day since 2009.

NINA FOUNDATION has instituted this Annual Award to recognise that individual who has, with exemplary courage, won the battles in life in spite of having Spinal Cord Injury.

By presenting this award, Nina Foundation "RENEWS THE SPIRIT OF LIFE".

It not only honours the winner the Winner of the Year for his/her achievements but also his/her ability to 'fly over cuckoo's nest'.

NINA FOUNDATION is proud that this Achiever also encourages others to reach the TOP in whatever vocations they choose. Not to forget that this WILLSTAR is chosen without bias, i.e. irrespective of geographic, religious, linguistic or ethnic differences.

The Award carries a citation and a trophy.
